***Re: Northwest Cascade, Inc.'s Response to Section 104(e) Request for Information and Documents - Harbor Island Superfund Site, East Waterway Operable Unit, King County Washington***

Dear Mr. Sanga:

We represent Northwest Cascade, Inc. (NW Cascade) in its response to the US Environmental Protection Agency's request for information and documents related to operation within one mile of the Harbor Island East Waterway Operable Unit. Enclosed please find the original signature page from Northwest Cascade, Inc, and two USB drives containing (1) the narrative response, index of documents, a privilege log and responsive production; and (2) segregated responsive documents marked "Confidential Business Information" pursuant to 42 USC 9604(e)(7)(E)(7)(iii) due to the potential harm to NW Cascade's competitive business position. A link to the documents will be provided by email as well.

Please do not hesitate to contact me at 206.999.4894 or [andy@houlihan-law.com](mailto:andy@houlihan-law.com) if there are any questions or issues with the production.

Very Truly Yours,  
Houlihan Law

  
Andrew L. Zabel
